2024 was another successful year for our club with all teams across Football and Netball making the finals and Moama FNC taking out the Murray Football League Champion Club for the fourth year in succession. We can only continue this success with our amazing businesses supporting what we do and why we do it.

Now, I welcome you to season 2025, a season of consolidation as ONE CLUB from top to bottom. One Town, One Club, One Community.

"Consolidation" 1. The action or process of making something stronger or more solid. 2. The action or process of combining a number of things into a single more effective or coherent whole.

In season 2025 we have re-aligned our Senior Football Netball Club and Junior Football club into one governance to assist in working closer together for one outcome. To give our players, members, supporters and you our valued partners the best experience possible. We want you to join us on our journey. This consolidation offers you our sponsors a wider reach across all teams from Under 10's to Seniors, Greater Networking opportunities and strengthens the "Buy Local" message to all club members.

Moama Football Netball Club recognises and values the important role of sponsors to our success and longevity and it's for this reason that we are genuinely committed to ensuring you receive full value for your contribution to the Club. Our match day performance and Junior development is driven by what happens off the field and it is the contribution of our sponsors that plays a vital role in the daily operation of the Club so we can continue to be a strong, viable leading Club within the Murray Football Netball League and wider community.

As a current or prospective sponsor, we encourage you to have a look through our 2025 sponsorship opportunities.

On behalf of our Committee, Coaches, Players, Volunteers and Supporters we would like to thank you for your support.

We look forward to working with you in season 2025 - GO MOAMA.

WE'RE IN

FOR 2025, ARE YOU?

MOAMA HAS AN EXCITING NEW LINE UP IN 2025 WITH SENIOR COACHES LIAM BARRETT AND JYE WARREN AND A GRADE COACH LISA DRYSDALE

SENIOR FOOTBALL COACHES: LIAM BARRETT AND JYE WARREN

First year joint coaches Liam Barrett and Jye Warren head up a youthful and rejuvenated senior football group for 2025. After playing pivotal roles in Moama's 2024 campaign, one which fell agonisingly short of a grand final appearance, Liam and Jye are even more motivated to push the club towards ultimate glory in 2025. And with footballing credentials such as Liam's and Jye's, it's hard to see why this can't be achieved.

Having been a standout junior footballer at Kyabram, Liam progressed to the Bendigo Pioneers where he spent two years in their elite under-18 program; culminating in taking out their prestigious club champion award in his final year. Liam's experience in the country's highest level under-18 competition exposed him to the best coaching and training practices, which will be more than valuable to Moama's young group in 2025. Furthermore, Liam has gone on to play in two senior premierships for Kyabram in the highly rated Goulburn Valley League, before playing several seasons for the much-vaunted Golden Square in the Bendigo Football League. This stop over produced another premiership in 2023, along with inter-league representation. It is fair to say that Liam knows what it takes to be a successful country football club and player, and we are rapt to have him leading our senior group with Jye.

Liam also knows that a club is more than just football. It is about the people, the supporters and the community -

"Next year, our club has one goal in mind; to play our best, support each other, and make the whole Moama community proud."

Jye may be a bit more familiar to Moama faces, having been at the club for several years now. Not to be outdone by his coaching companion, Jye also has a wealth of experience and diversity on his footballing resume that will hold him in good stead for the challenge ahead. Stints with the Murray Bushrangers, Coburg and Bendigo in the VFL, Peel Thunder in the WAFL, and Labrador in the QAFL has also immersed Jye amongst the best footballing programs in the country. Jye has also tasted the ultimate success with Tatura in the Goulburn Valley League, and the aforementioned Labrador in the QAFL. Aside from his impeccable playing CV, one only need to cast their eye over a Jye Warren training session, to see he has the enthusiasm and presence to take this group to where it needs to be.

Having also exceeded 100 senior Murray Football League games, Jye is well placed to assess where the group is at and what is required to be successful -

"The standard at training is essential for any team aspiring to reach a higher level of football. With a young and exciting list, complemented by a great mix of experienced players, every session becomes an opportunity to push boundaries and strive for success. Losing three preliminary finals hurts, so it's time to take the club to a whole new level!"

Not only are Jye and Liam great footballers and coaches, they are great clubmen and people. We are excited to have Liam and Jye leading our senior group, and look forward to building something great in season 2025!

NETBALL A-GRADE COACH: LISA DRYSDALE

A grade Coach Lisa Drysdale AKA 'Drysie' is entering her 7th year at Moama FNC and very ambitious for success in 2025. Drysie first took the court in Black and White back in 2001, in the pleated skirt! After experiencing a lot of netball elsewhere Drysie returned our club in 2020. She has a long history in netball, across several leagues and states over the past 27 years in senior netball.

In 2009 Drysie was instrumental in starting a netball club to run alongside a footy club in the far north. This has given Drysie a good understanding of the hours of work that goes into a footy/netball club behind the scenes and what it takes to be successful. A club can't function without the hard work of committee members and our valued sponsors.

For Drysie, it's not just about playing the game she loves, she has taken on umpiring a few years ago which is a very challenging aspect and something that all players should have a go at within the club. Giving advice to juniors to help them understand the game can enhance their knowledge and skill level. Drysie also enjoys a few stints behind the bar heckling the locals, however mostly prefers to have a beer in hand and be social, mixing with the locals on other side!

There will be a lot of work put into this season and go 1 better on Grand Final day, let's bring on 2025!

2025 PARTNERSHIP OPPORTUNITIES
